*(Florence, SC)* Heritage Digital announces the development and release of Physician Staff Scheduler for Pee Dee Cardiology Associates, P.A. of Florence, SC. The Internet-based scheduler provides easy scheduling of Physicians and makes a secure version of the schedule available to the staff anywhere an Internet connection is available. The system, called SiMon, also maintains statistics, manages special events and tracks vacation for the staff.

Pee Dee Cardiology's corporate site, located at [WWW.PEEDEECARDIOLOGY.COM](http://WWW.PEEDEECARDIOLOGY.COM) was also developed by the Company and provides information about the physicians, location, and the services provided by the facility. Information can be accessed on the site for heart related conditions, including warning signs of heart problems and other symptoms that may be overlooked in an individual at risk for heart problems.

*Heritage Digital is a privately held concern located in Florence, South Carolina. The company, specializing in Internet/intranet applications, database, programming and imaging and was established in 1997*
